## Career Objective

---

To utilize my skills and experience to contribute effectively to a dynamic organization, while continuously learning and growing in a challenging work environment.

## Education

---

<b>Anurag University</b>	<i>2021 - 2025</i>
B.Tech in IT	CGPA:9.41 (6th-Semester)
<b>Sri Chaitanya Jr. College</b>	<i>2019 - 2021</i>
Intermediate	Percentage:97.3%
<b>St. Ann's High School</b>	<i>2014 - 2019</i>
Schooling	Percentage:92%

## Experience

---

**AICTE-MathWorks Virtual Internship** May 2023 - September 2023

Acquired practical MATLAB skills via AICTE-MathWorks Virtual Internship in AI, focusing on Image Processing, Signal Processing, Machine Learning, and Deep Learning

**AICTE-Data Science Virtual Internship** April 2024 - June 2024

Gained hands-on experience in data science methodologies and tools through a comprehensive virtual internship, supported by AICTE and Altair

## Projects

---

### Similar Document template Matching Algorithm

Developed a template matching algorithm for the Smart India Hackathon, optimizing document similarity comparisons for accuracy and speed.

### Crop Prediction :(Hackathon)

Implemented machine learning and artificial intelligence to forecast crop yields, enhancing agricultural planning and productivity.

### Online Bus Ticket Booking:

Collaborated in a team of two to implement Bus ticket booking system using DS and C language

### Student Management System

Created a student management system using Java JDBC for efficient data handling and management.

### Car Price Prediction

Utilized machine learning for accurate car price predictions, enhancing decision-making in the automotive industry.

### HR Analytics

Utilized Power BI for HR Analytics, providing insightful visualizations and data-driven decision-making for human resources management.

### Empowering Well-being:(Hackathon)

Our webpage promotes SDG 3: "Good Health and Well-being," offering accessible healthcare resources, preventive measures, and connections to health professionals for enhanced well-being.

## Certifications

---

**Programming, Data Structure and Algorithms using Python**, Certified by **NPTEL**

**Python for Data Science**, Certified by **NPTEL**

**Introduction to Cybersecurity and Cyber Security Essentials**, Certified by **Cisco**

**Power BI**, Certified by **Great Learning**

**Cloud Engineering Learning Path**, in **GCCP**

**AWS Cloud Practitioner certification**, in **AWS Academy**

**Completed three modules of the Cisco Certified Network Associate (CCNA) program**,  
Certified by **NetAcad**

## Position of Responsibility

---

**Python club**

July 2023 - Present

*Vice President*

*Anurag University*

- As Vice President of Python club, led a dynamic 6-member vibrant team for Python enthusiasts. We offer coding challenges, project showcases, and collaborative learning. Explore the limitless possibilities of Python with like-minded individuals!

**Litreaze Society**

Dec 2022 - Oct 2023

*Junior Team Lead*

*Anurag University*

- As a Junior Team Lead at Literaze Society, I facilitate team collaboration, coordinate event tasks, and support the achievement of society goals through effective leadership and mentorship.

## Skills

---

**Technical:**

C, Python, Java, SQL, HTML, CSS, JavaScript, React js, Linux, MATLAB

**Languages:**

English, Telugu, Hindi

**Strengths:**

Good Listener, Communication skills, Leadership, Adaptability, Leadership

**Weakness:**

Overly engrossed in my responsibilities, often striving for perfection for a given task.

## Extra-Curricular

---

**Event Planning and Coordination:**

Organized a successful freshers' party, demonstrating event planning and leadership skills.

**Department Coordinator(Daksha 3.0):**

Successfully coordinated all activities and logistics for the national-level techno-cultural fest for the department IT and CS, ensuring smooth execution of events and competitions.

## Declaration

---

"I hereby declare that all the information provided in this resume is true to the best of my knowledge and belief."
